Dear Sir:

This is a request for a Certificate of Correction under 37 CFR 1.322(a). The corrections and additions of language listed in the attached form PTO-1050 were previously submitted to the Patent Office, but were omitted or altered in the printing of the patent. In particular, the application as originally filed on November 10, 2002 and the Claims as amended in the Amendment and Response submitted by Applicants on March 11, 2003 contained language/punctuation that was not accurately reflected in the printing of the patent.

Because the errors and omissions are the result of a Patent Office mistake, it is believed that no fees are due in connection with this request. However if this is incorrect, please charge any fees deemed necessary to Deposit Acct. No. 19-1970. Attached in duplicate is form PTO-1050 setting forth the corrections to be made in the above-referenced patent.
